

Hogeschool van Amsterdam

NFCoffee

Are you also sick of using the terribly slow coffeemachines the university of applied sciences has given us, well we know we are!

Introducing NFCoffee !!

Giving you a personalized coffeecup which allows you to get your favorite coffee at the press of a button!

Hogeschool van Amsterdam

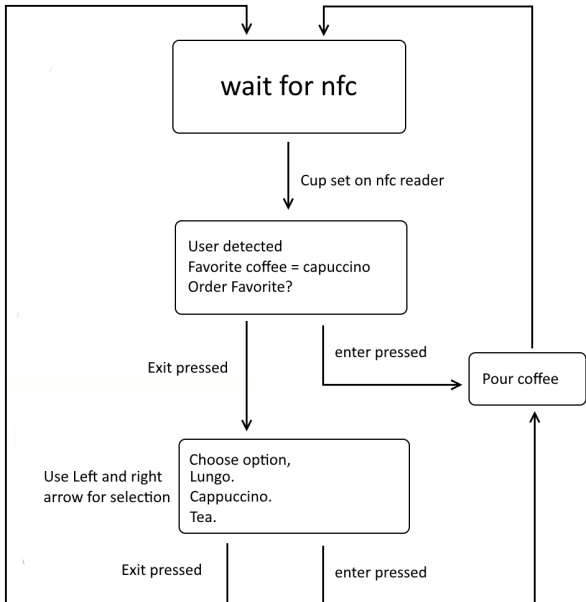

NFCoffee

- What did we use
 - Raspberry pi
 - Python
 - Self designed hardware
 - L^AT_EX
 - NFC module
